

## & Personal Information

- ✂ Name: Ameer Kadhim Hadi
- ✂ Born on 1980, Iraqi citizen
- ✂ Address: Al-Asatidha Neighborhood, Hilla City, Babil Province, Iraq.
- ✂ Email: ameer.hadi@fulbrightmail.org
- ✂ Telephone: +964(0) 07801696272 available from 8:00 am to 6:00 pm

## & Education

- ✂ **Ph.D.:** Computer Science, 2015, University of Babylon, Iraq. My dissertation emphasized on Networks mangment, security and Cloud Computing. During the study, I applied and got a research scholarship to work six months in the practical labs of the School of System Engineering, University of Reading, United Kingdom. Under the supervision of Professor Dr.William Harwin and Dr.Gary Smith.
- ✂ **Master of Science:** Computer Science, specific in Information Security, 2006, University of Technology - Baghdad, Baghdad Governorate, Iraq. I got the second rank from 10 students. Excellent was the grade for many courses like networks, advanced security and IT management.
- ✂ **Higher Diploma:** Computer science, specific in network security, 2004, Informatics Institute for Postgraduate Studies, ICCI- Baghdad, Iraq. I studied many courses like, Information Theory, servers and networks.
- ✂ **Bachelor of Science:** Computer Science, 2002, University of Babylon-Computer Science Department, Iraq. I got the second rank of all class students.

## & EXPERIENCES

- ✂ **SIX years of increasingly and progressively experience in the following:**
  - ✂ Operating systems
  - ✂ Operating computers.
  - ✂ Windows 2008 Server, Windows Server 2012 and windows server 2016.
  - ✂ Web Server Internet Information Systems (IIS) Include site hosting and management.
  - ✂ Computer and Network Troubleshooting
- ✂ **I have validated expert knowledge in this areas:**
  - ✂ Microsoft Window 7 , 8, and 10 (professional experiences )
  - ✂ Linux Operating System as fundamentals
  - ✂ MS Office 2010 products Access, Excel , Word , One note, Outlook
  - ✂ Microsoft SQL Server and SharePoint
  - ✂ TCP/IP network stack

- ⌘ Web services and applications programming, test and use in sandbox.
- ⌘ Computer networks local area network(LAN) and Wide Area Network(WAN)
- ⌘ computer system operations User application support
- ⌘ Virtualization and Hypervisors (Microsoft hyper-V) ,VSpere, Oracle Virtual Box and Virtual Machine workstation.
- ⌘ Amazon Web Service for Cloud Computing, Include compute, storage management, Network, Serverless applications (Lambda), Athena analysis and User Identity Access Management AWS IAM.

### ⌘ SKILLS AND ABILITIES:

#### ⌘ I have the skills and the ability in the following points:

- ⌘ Able to learn new things quickly, train staffs effectively, meet deadlines promptly, and help people who don't understand IT.
- ⌘ Ability to balance workload demands between the central system and individual user requirements.
- ⌘ Able to lead team and to work with others as a team leader or member and trainer so the knowledge is passed on with confidence. I able to encourage team members to try new initiatives and ensuring the correct use of resources.
- ⌘ Able to analyze, plan, and implement sophisticated and integrated computer hardware/software systems.
- ⌘ I have excellent analytical, judgment, planning, management, and organization and teamwork skills.
- ⌘ I have a high level of punctuality, accuracy, attention to details, and time management.
- ⌘ Able to handle stress and competing demands in order to complete work in a timely manner.
- ⌘ I have excellent analytical skills needed to analyze options, select best practices and perform tasks.  
Able to make good working relationship with various stakeholders around my work.
- ⌘ I have the ability to articulate system requirements to managers in order to secure the support of computer and automation program and to maximize opportunities for automation.

### ⌘ Previous Work

- ⌘ Manger of Computer Center , University of Babylon from 11 -2020 to current
- ⌘ Location: College of Information Technology, Department of Information Network, University of Babylon, Babylon Governorate, Iraq. From (2009 to current) with the following positions and Duties.
  - ⌘ System Administrator : The main duties were:

- ⌘ FTP, Printer and file server installation and administration, work was with windows server 2012.
- ⌘ hardware/software installation and maintenance
- ⌘ Format ,install new operating system and add the new user to the active directory for each new student, employer or faculty member,
- ⌘ Submit troubleshooting services to the faculties , employers and students for their laptops, mobile devices and applications and solve all network access for their accounts
- ⌘ System backup/recovery and update all operating system and software
- ⌘ helpdesk services to other colleges by phone us on our land telephone for getting the help and support
- ⌘ Remote desktop access to servers.
- ⌘ Student's accounts management using windows server active directory.
- ⌘ Implement the computer systems policies by managing the group policy for the student accounts and employees as well as for faculties to avoid misuse and install unwanted program or disable the firewalls.
- ⌘ Help and advice the committee of the assets and store to buy new computers and network devices and maintain an electronic inventory and database of all assets using Microsoft excel and access, and document all equipment issued for the workers and staff to ensure timely accountability for annual check in my college.
- ⌘ Managing the Local Area Network (LAN) site that consists of the room of Servers, switches, routers, and fingerprint devices. I helped to install the LAN for my college at the first week of getting the new building.
- ⌘ Support and submit the dean and the head of department with the plans of the future technology projects and specific functions which help the education, management operations.
- ⌘ Maintain all laptops, printers, copy machines, scanners and submit a report for the dean about their situations.
- ⌘ **Lecturer and Trainer : The main duties were:**
- ⌘ Teaching advanced level courses in cloud computing for postgraduate students (Master). Python 2.7 programming language in the lab.
- ⌘ Taught introductory and upper level courses in networking windows server. With real servers, Networks, routers and switches. Topics include active directory, Group Policy ,Account management ,Security operation and
- ⌘ Taught Group Project which aims to learn the students work as team work and develop the soft skills and leadership. We did many projects in this class like secure door using ID card, Secure LAN for college of education, Smart Park using access control devices.
- ⌘ Train the employees IT skills and Microsoft office like Excel, Word, Access, PowerPoint, and Publisher. Coached students on public speaking and presentation skills. Guided students in using technology to support educational research.

✂ **Location: IRD International Relief and Development (renamed to Blumont) a USAID contractor, worked in the Community Stabilization Program CSP, Babylon, Iraq. From (Jan-2008 to March 2009) I worked as Monitoring and Evaluation Officer, main duties were:**

- ✂ Develop and strengthen monitoring, inspection and evaluation procedures.
- ✂ Monitor all project activities, expenditures and progress towards achieving the project output.
- ✂ Report weekly, monthly, quarterly, half-yearly and annual progress on all project activities to the National Project Director.
- ✂ Suggest strategies to the Project Management for improving the efficiency and effectiveness of the project by identifying bottlenecks in completing project activities and developing plans to minimize or eliminate such bottlenecks
- ✂ Assist the Project Manager in preparing other relevant reports;
- ✂ Enter and update data inside the project database.
- ✂ Make site visit and meeting with beneficiaries.

✂ **Location: Iraq Civil Society Program (ICSP) /(ADF American Development Foundation) a USAID contractor in south central regional -Iraq Database Consultant .From (June 2006 to August 2006).Main duties were:**

- ✂ Train the employees on Excel and IT skills.
- ✂ Entering the data to the database

✂ **Location: RTI Research Triangle Institute a USAID contractor in Hilla, Iraq. I worked as data entry. From(Jan 2004 to June 2004).Main Duties were:**

- ✂ Entering customer and account data from source documents within time limits.
- ✂ Compiling, verifying accuracy and sorting information to prepare source data for computer entry.
- ✂ Reviewing data for deficiencies or errors, correcting any incompatibilities and checking output.
- ✂ Organize the portfolio, Paper and files in very well sorting way.

## ✂ Language Proficiency

✂ **I have the following Language Proficiency**

- ✂ Arabic (native)
- ✂ English fluent (reading, writing and speaking).
- ✂ Spanish beginner.

## ✂ Certificates

- ✂ Technical and Academic Writing, Seven and half day, International Studies and languages Institutes University of Reading, Reading,UK,17-15 December 2014.
- ✂ Fulbright Scholarship Program, Educational and cultural exchange program, Kent State University, Ohio, USA. July 2012 to 10 September 2012
- ✂ Computer Lab Training two workshops credits Hours, Research and Sponsored Programs, Kent State University, Ohio, USA, 10-Jul-2012.
- ✂ Peer Review Process Training One workshop credits Hour, Department of Geology, Kent State University, Ohio, USA, 4-Sep-2012.
- ✂ Reopening, Tenure and promotion Process at Kent state University, two and half workshop credits hours, College of Arts and Science, Kent State University, Ohio, USA, 28-8-2012.
- ✂ Technology in the Classroom: Using Clickers, One and half workshop credits hours, Faculty and Professional Development Center, Kent State University, Ohio, USA, 23-Aug-2012.
- ✂ Science Lab Orientation, One Workshop credit hour, Research and Sponsored Programs, Kent State University, Ohio, USA,12-Jul-2012.
- ✂ Library Orientation for Kent State University Library, One and One half Workshop credit hours. University Libraries, Kent State University, Ohio, USA, 10-Jul-2012.
- ✂ Cross-Culture Training ,Tree work Workshop credit Hours
- ✂ Technology in the Classroom, Part I and Part II three and half workshop credits hours, Faculty and Professional Development Center, Kent State University, Ohio, USA, 30-Jul-2012.
- ✂ ITP- TOEFL with 502 Scores, AMIDEAST, Al Jadiryah Baghdad, Jan 2012.
- ✂ Educational Advisor, Series of Training Sessions held at US-Embassy/Baghdad, 2010-2011
- ✂ Internet Computing Core - IC3 Instructors Certificate, December, bnreducation.com, 19-Sept- 2010.[Use this code **qAVm-wQE**] to verity on [www.verify.certiport.com](http://www.verify.certiport.com)
- ✂ Cisco Certificate (CCNA Exploration: Network Fundamentals), Cisco Academy, University of Babylon, 24-Oct-2009.
- ✂ Database Mangement System with sql , Computer Center, 15 days,Babylon Iraq, 19-3-2007
- ✂ Educational Advisor, Baghdad 2<sup>st</sup> Workshop, Academic for Educational Development [www.aed.org](http://www.aed.org) 2010.
- ✂ English Certificate for the higher Education, Babylon University, English Test Center 2002.

### & Attended Conferences

- ✂ Founder and Presenter ,Workshop “Entrepreneurship and small business “,University of Babylon , College of IT , November 2018.
- ✂ Participated as presenter, workshop “Big Data for Big Impact”, in university of ITC Baghdad 17-May-2017.

- ✂ Participated as author, 2nd International Conference on Computer Science and Telecommunication Engineering 2017 (COMSCET) in Dubai, UAE. (Presenter to my Scientific Paper)
- ✂ Participated as author, International conference on electrical and electronic engineering, organized by UTeM Holdings, Malaysia. (Presenter to my Scientific Paper)
- ✂ Participated as Presenter, Iraq Higher Education Conference, Organized by International Research & Exchanges (IREX), Supported by US-embassy in Baghdad,22-26-Sept-2016,Baghdad, Iraq. (Presenter to my Idea to develop the Higher education in Iraq)

### & Workshops

- ✂ Entrepreneurship 4<sup>th</sup> Workshop Innovation for Development By UNDP ,Baghdad, Iraq 2017
- ✂ Advanced Entrepreneurship 4<sup>th</sup> Workshop Innovation for Development By UNDP , Sulaymaniyah , Iraq 2017.
